MEMBER REFERRAL PROGRAM

We want to first take this opportunity to welcome you to say thank you for your patronage. We hope you will be successful in achieving your fitness goals. Since most of our new members come from friends of our current members, we have started the Member Referral Program. We all love having a workout partner, so bring in your family and friends for a free visit!

If **5** of them become members, we will add **1 year** to the end of your contract. If **10** of them become members, we will add **2 years** to the end of your contract. If **20** become members, you will receive a **VIP Lifetime Membership**.
